L. A. Bill No. 26 of 1961

THE CALICUT CITY MUNICIPAL (AMENDMENT) BILL, 1961.

A

BILL

to amend the Calicut City Municipal Act, 1961.

Preamble.—WHEREAS it is expedient to amend the Calicut City Municipal Act, 1961, for the purpose hereinafter appearing;

BE it enacted in the Twelfth Year of the Republic of India as follows:—

1. *Short title and commencement.*— (1) This Act may be called the Calicut City Municipal (Amendment) Act, 1961.

(2) It shall come into force at once.

2. *Amendment to Section 5 of the Calicut City Municipal Act, 1961 (Act 30 of 1961).*—In section 5 of the Calicut City Municipal Act, 1961 (Act 30 of 1961) the following proviso shall be added to clause (e) of sub-section (1) namely:—

"Provided that for the purpose of the first election to the Council of the Corporation of Calicut population shall mean the population as ascertained on the basis of the figures of the 1961 Census, whether provisional or final".

STATEMENT OF OBJECTS AND REASONS

The Calicut City Municipal Act provides that the number of seats to be reserved for Scheduled Castes and Tribes shall bear the same proportion to the total number of seats in the council as the population of the Scheduled Castes and Tribes in the City bears to the population of the City.

In the Act, population has been defined as the population as ascertained at the latest census of which the relevant figures have been published.

The latest census of India has been taken in 1961 but the figures of 1961 census have not so far been published. So according to the law in force the figures of 1951 census have to be taken for the purpose of reservation of seats for Scheduled Castes and Scheduled Tribes. Since provisional figures of the 1961 census are available, it is considered desirable that these figures should be adopted for the purpose of constitution of the first council under the Calicut City Municipal Act. The Bill is intended for the above purpose.

"Provided that for the purpose of the first election to the Municipal Councils of the State of Kerala to be held after the commencement of this Act population shall mean the population as ascertained on the basis of the figures of the 1961 census, whether provisional or final".

In the Act, population has been defined as the population as ascertained at the latest census of which the relevant figures have been published.

The latest census of India has been taken in 1961 but the figures of 1961 census have not so far been published.
